L S G BRANCH

Sir,

Re Tenders for laying submain and street sewers in Narasimharaja Colony - Bangalore City

I have the honor to forward herewith the tenders received from the marginally noted seven contractors for the above work together with a comparative statement and a copy of letter No 43 dated 17-8-42 of the Special Officer, Bangalore City Drainage Division, suggesting that the work may be distributed between (1) Messrs Ranade Brothers (the lowest tenderers) and (2) Messrs Murthy & Murthy (the next higher tenderers) at the lowest tendered rates

* Messrs
1 Ranade Brothers
2 Murthy and Murthy
3 A R Doraiswamy Iyengar
4 Gannon Dunkerly & Co Ltd
5 Munivenkatappa
6 N Varadarajan
7 The Bangalore Sanitary Engineering Co

The cost of the work as per sanctioned estimate is Rs.65,000/- and tenders have been called for only works amounting to Rs 42,700 The cost as per lowest tendered rates amounts to Rs 49,249 and deducting Rs 430 (total of items for which tenders have been called for but not provided in the estimate) the net figure stands at Rs 48,819, as against Rs 42,700 provided in the estimate The excess of Rs 6119/- is due to high cost of material and labour prevailing at present This estimate will be got modified in accordance with actual execution embodying the total excess Rs 6119 + 430 viz , Rs 6549/-

I request you to be so good as to obtain and convey sanction of Government to the distribution of the work between

Messrs

Messrs Tanade Brotners (the lowest tenderers) and
Messrs Murthy & Murthy (the next higher tenderers)
at the lowest tendered rates

I have the honour to be,
Sir,
Your most obedient servant,

DIRECTOR OF PUBLIC HEALTH

JBR

Letter No 43 dated 15/17th August 1942 from the Special Officer, City Drainage Division, Bangalore, to the Director of Public Health in Mysore, Bangalore

--

Ref - Tender for laying submain and street sewers in Narasimharaja colony - Bangalore City

—

With reference to the above, I have the honour to state that tenders were called for this work and in response thereto seven tenders have been received from the marginally noted contractors A comparative statement of these tenders is herewith submitted for favour of information and orders

	Messrs
1	Ranade Brothers
2	Murthy and Murthy
3	A R Doraiswamy Iyengar
4	Gannon Dunkerly & Co. Ltd ,
5	Munivenkatappa
6	N Varadarajan
7	The Bangalore Sanitary Engineering Co ,

2 It can be seen from th comparative statement that the tenders of Messrs Ranade Brothers is the lowest and the next to the lowest is that of Messrs Murthy and Murtny of Basavangudi The difference between the two is only very small i e , Rs 247/- and hence practically both stand on the same level Such being the case, the tenders of both these contractors deserve to be considered favourably Also Messrs Murthy and Murthy who were consulted in the matter have accepted to take up the work at the lowest tendered rates Messrs Ranade Brothers have been doing good work in this Department Messrs Murthy and Murtny have been doing Sanitary works on private contracts and it is hoped, if they are given opportunity to do the work for Government they will in no way prove inferior to Messrs Ranad Brothers

2 I recommend therefore that orders may be obtained to distribute the work between the two contractors (1) Messrs Ranade Brothers and (2) Messrs Murthy and Murthy at the lowes tendered rates quoted by the former This distribution of wo between the two contractors will be conducive in securing quic work and working out fully the grants allotted this year

3 The cost of the work as per sanctioned estimate is ₹ 65,000/- while tenders have been called for the works aggregating to ₹ 42,700/- only against which the cost as per the lowest tendered rates amounts to ₹ 49,249/- There are alternative items in the statement A for which tenders have been called for but not provided for in the sanctioned estimate There are also other items marked B" in the comparative statement amounting to ₹ 22,300/- found in the sanctioned estimate but omitted from the list of items of tender Anyhow omitting Rs 430/- being the total of items marked "A the net figure stands at ₹ 48,819/- i e , with a difference of ₹ 6,119/- in excess of net sanctioned estimate amount i e 14 3% in comparison with the estimate The excess is due to high cost of materials and labour prevailing at present The estimate will be got duly modified in accordance with actual execution when the work is taken up

4 As the rates of materials are unsteady due to war condition and any delay in the starting of work may involve in the revision of rates quoted by the contractors, I request that orders of Government regarding accepting of tenders may be arranged to be obtained very early and communicated
